## FAQ

What is the depth of the unit with the door open? 685mm

What is the depth of the unit with the drawer fully extended? 640mm

What is the width of the unit with the door fully open? 680mm

How deep are the shelves? 270mm

Can the door be hung from either side? Yes, pilot holes are made in the frame so that the hinge can be positioned on either side.

Does the unit come with a worktop? Yes, the cupboard comes with a colour matched worktop, but can be removed if the unit forms part of a run.

Can I repair small areas of damage? Yes, we can supply small touch up paint pens for small paint repairs.
