FAQs

Q: Is the marble worktop sealed?

A: The marble is sealed at the point of manufacture. We do recommend to reseal the marble periodically like other natural stone products.

Q: What cleaning products are suitable for this worktop?

A: Please refer to the instructions provided.

Q: Why is the marble worktop a different colour to the display model and photography?

A: Marble is a natural stone where colour and features vary as a result due to its natural formation. No two pieces are the same.
